## Four GREAT Options to meet your school's needs!!

### Supplemental Fitness Program

Supplemental fitness programs add to your already great curriculum! This program is offered to every student in your program and is integrated into your curriculum. Typical programs run 30 minutes per class and fees begin at \$10 per student. Classes combine flexibility, coordination, rhythm, and many more fundamental motor skills with core academic curriculum concepts from language arts, math, science, or social studies. . Great for boys and girls alike!

### Optional Add-On Class

Give students an opportunity to add their extra-curricular activities right into their curriculum at your school!! Parents will thank you for the convenience and services that you offer to their child! These classes are conducted "pull-out" style and last 45 minutes each session. Classes begin at \$25 per month and have a minimum of 8 students. This option offers the same great curriculum as our supplemental fitness program at no cost to you or your school.

### After-Hours Program

After-hours programs can be held at your school or ours and is another great service to offer your customers! We can schedule our same great supplemental fitness program classes immediately after your regular hours program ends. This program comes with several options to meet your customers' needs! Programs begin at 45 minutes and \$25 per month. You can also offer a car-pool to our gym for longer programs or additional services—Fully customizable!

### Referral Program

The Referral program is a great way to make extra money for your school. By enrolling in this program, we will give you \$5 for each student who registers for fitness classes at our gym from your referral. Marketing materials will be provided to you free of charge. Gain extra money for your school while giving your students access to fundamental skills that will benefit them for the rest of their lives!!!
